GIRLS INC. OF THE CENTRAL COAST® is an affiliate of Girls Incorporated, a national organization that has been providing programs for girls since 1864 in the United States and Canada. We deliver innovative, research-based programs designed specifically to address the strengths and needs of girls ages 8 to 18. Our programs focus on empowerment, health and leadership, preparing girls for economic independence and confident adulthood. Founded in 1999, Girls Inc. of the Central Coast (Monterey, San Benito and Santa Cruz Counties) currently serves over 1,400 girls a year in 30 schools sites in 9 cities. We are a 501(c)(3) organization.

In 2015 we started programs in Watsonville. Our popular programs are now in four schools there, elementary through high school. There is no charge for girls to attend.

We are actively building support for expanding Girls Inc. programs throughout Santa Cruz County from individuals, companies and foundations. Please join us!
