SANTA CRUZ COUNTY DEVELOPMEN COMMITTEE MEMBER

The principal purpose of the Santa Cruz County Development Committee is to raise funds in support of the programs of Girls Inc. of the Central Coast (“GICC”) in Santa Cruz County.

Members of the Committee shall:

- Advocate for the mission and goals of GICC to friends, neighbors, work colleagues and the community.
- Participate in the planning of the annual fundraising luncheon to be held in Santa Cruz County.
- Invite potential donors with the ability to give to the annual fundraising luncheon.
- Participate in other fundraising events sponsored by GICC that support the programs in Santa Cruz County.
- Use personal and professional connections to recruit new supporters and committee members.
- Personally solicit gifts in support of GICC’s programs in Santa Cruz County.
- Make a meaningful personal contribution to GICC to the best of the member’s ability.
- Attend all regular meetings of the Santa Cruz County Development Committee.

**PERSONAL ASSESSMENT & EXPECTATIONS
SANTA CRUZ COUNTY DEVELOPMENT
COMMITTEE MEMBER
GIRLS INC. OF THE CENTRAL COAST**

1. Why are you interested in serving on a fundraising committee that supports the programs of Girls Inc. in Santa Cruz County?
2. Please describe the specific skills or attributes that you bring to the fundraising committee, such as connections in the community and fundraising experience.
3. How comfortable will you be using your personal and professional connections to reach out to potential donors to GICC and invite them to GICC's fundraising events where they will be expected to make (or pledge) a contribution at such event?
4. Are you available to attend monthly meetings? (Note: meetings are usually held late afternoon or early evenings.)
5. Will you be available to attend the annual Santa Cruz County fundraising luncheon, which is usually held in April or May of each year?
6. Are you able to make a meaningful personal contribution to GICC? (Note: Committee member contributions range from \$500 to \$3,000 each year.)
