

YOUTH LEADERS

ECHO Leadership Graduates have the opportunity to continue their leadership development as Youth Leader Interns.

About the Youth Leaders Program:

Interns are hired and trained to deliver programs to young women and girls in high school and middle school. These activities provide a very tangible way for the graduates to:

- Learn and practice program planning and facilitation
- Practice public speaking
- Develop conflict resolution skills
- Develop mentoring skills
- The young women work in close partnership with the Girls Inc. staff and program volunteer mentors.
